FOREWORD

THE SCENES AND FACES HERE DEPICTED TOMORROW WILL BE BUT HAUNTING MEMORIES. IN ISSUING THE 1946 VOLUME OF THE BAGPIPE, WE THE ANNUAL STAFF, SINCERELY TRUST THAT THIS ANNUAL MAY SERVE IN FUTURE YEARS AS A VERITABLE STOREHOUSE OF PAST ACADEMIC AND ATHLETIC ACTIVITIES, OF HAPPY ASSOCIATIONS AND LASTING FRIENDSHIPS, TO WHICH THE ALUMNI OF P. J. C. MAY TURN IN HAPPY REMINISCENCE.

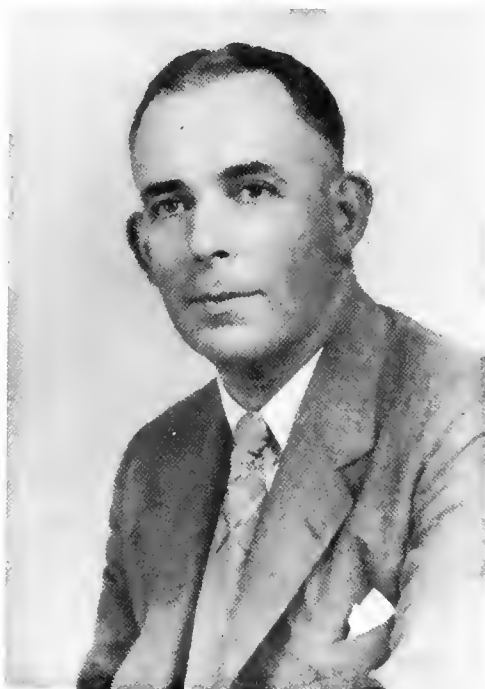

DEDICATION

IN RECOGNITION OF THE TIRELESS AND CEASELESS EFFORTS GIVEN BY DR. AND MRS. THORNWELL TO THE BUILDING OF OUR CHARACTERS, WE WANT THEIR NAMES TO BE THE FIRST TO CATCH OUR EYE AS WE READ OVER THIS COLLECTION OF PRICELESS MEMORIES. DR. THORNWELL'S EXAMPLE OF FAIRNESS AND CHRISTIAN LIVING HAS BEEN AN INSPIRATION TO US ALL, AND MRS. THORNWELL'S PATIENCE AND UNDERSTANDING HAVE GIVEN US COURAGE TO FACE THE HARDEST TASKS.

WE THEREFORE DEDICATE "THE BAGPIPE" OF 1946 TO DOCTOR AND MRS. JAMES HENLEY THORNWELL, WHO DURING THEIR TWO YEARS OF SERVICE AT PRESBYTERIAN JUNIOR COLLEGE, BY THEIR DEVOTION TO DUTY, THEIR SINCERE INTEREST IN THE STUDENTS AND THEIR SYMPATHETIC UNDERSTANDING OF YOUTH HAVE ENDEARED THEMSELVES TO ALL THE STUDENT BODY.

THE STAFF

PRESIDENT

Greetings:

It has been a pleasure to be associated with the student body of 1945-1946. To welcome so many of you back from the war has made us glad. We trust that your memories of days at P. J. C. will be happy ones, and that all your way ahead in our new postwar world may hold more of joy and usefulness because of your life on the campus.

LOUIS C. LAMOTTE

DEAN HALL

To Dean Hall we wish to show our appreciation for his kind understanding and sympathy of our "troubles" and mischief during the year.

Mr. Hall served in the war as an interpreter and in the intelligence department. Although a tough Language Professor, he will remain in our hearts as a true friend and "Pal".

As a personality he is always willing to be a boy with the boys. This feature is what made it evident that he should be the faculty member selected to organize and direct all student social activities.

As a disciplinarian he is firm, yet fair, always just and considerate in his decisions.

STUDENT COUNCIL

The Student Council consists of the President of the Student body, the Vice-President, the Secretary-Treasurer. The Presidents, Vice-Presidents, and one elected representative each from the Freshman and Sophomore Classes and from the Preparatory Department are also members. The Student Council is entrusted with the enforcement of Student Government regulations and the maintenance of the honor system.

The members of the Student Council are as follows:

Vice-President	JOHN BOYD
Secretary-Treasurer	MAC EDGERTON

RESULTS

P. J. C. DROPS OPENER—13-0

E. M. I. defeated P. J. C., 13-0, in a rough bruising battle. It was the first game of the season for the Scotties and they got off to a bad start. The E. M. I. offensive was made up of brilliant pass plays centered around a sleeping end play which gained much yardage for them. The team suffered a loss when Coach Eisold was ordered away for a discharge, the day before the game.

CHINA GROVE TRIPS P. J. C.—6-0

The Scotties played their first home game and were defeated by a faster but much lighter team. The China Grove team was well experienced and had played several games. The Scotties line was almost unbreakable and the China Grove gridders finally were forced to use passes. Outstanding line play and defense for the Scotties was turned in by Moffett Caldwell and Jackson Williams.

SCOTTIES TRIP WADESBORO HI—27-19

A heavier Presbyterian Junior College team from Maxton defeated Wadesboro High—27-19 in a free scoring battle. Anderson, big 245-lb. Scotties fullback, made three touchdowns and Johnny Guiton one. Shine Huntley played a great game for Wadesboro, the only man who could halt Anderson's bull-like charges.

Three long runs of over 50 yards each by Johnny Guiton set up Anderson's three touchdowns. Outstanding for the Scotties were Odom, Randolph, Caldwell, Tommy Guiton, and Williams.

SCOTTIES TRIP EDWARDS—24-7

Presbyterian Junior College celebrated home coming day by defeating Edwards Military Institute, 24-7 to avenge an earlier defeat in the season. The Scotties led 12-0 at half time by the brother combination of Johnny Guiton and Tommy Guiton. Anderson and Odom made the other two tallies. Talella scored for Edwards and made the extra point. Outstanding in the P. J. C. line were Williams, Caldwell, and Randolph.

SCOTTIES DEFEATED BY FAYETTEVILLE HI—55-0

P. J. C. traveled up to Fayetteville for their last game of the season. Suffering from injuries received in the last game and the strong offense of Fayetteville we bowed to them 55-0. This was by far the worst defeat of the season.

This concluded the season with a record of two wins and three losses.

BASKETBALL

OAK RIDGE vs. P. J. C.

On Feb. 30, we left for a three day trip. That night we played Oak Ridge once more on their own court. This, we think, was one of the best games all season. It was very close all the way with Oak Ridge leading most of the time and finally winning by a count of 28-24. Knox led the Scotties offense.

CAMPBELL vs. P. J. C.

On the following night we travelled to Campbell and played them. Campbell with a tight five man defense and a fast break defeated us by a 33-31 count making this a second defeat of the season.

E. M. I. vs. P. J. C.

We proceeded from Campbell on to E. M. I. and played them on Feb. 1. It was another close game with the lead changing hands several times. The regulation game ended in a 29-29 tie. In the over-time Barbee of E. M. I. slipped one in from under the basket to win the ball game for E. M. I.

Owen Kelley and R. L. Anderson were outstanding for the Scotties.

HAMLET vs. P. J. C.

The next game we played at home. We took on the "Hamlet All Stars." In this game the Scotties led throughout the game up until the last quarter when the All Stars put on a burst of speed and tied the score thus the regulation game ended in a 37-37 tie. In the overtime one of the All Stars dribbled in and laid one in—thus winning the game for the All Stars in the last ten seconds of the overtime.

E. M. I. vs. P. J. C.

After a short practice season we began our basketball schedule by playing E. M. I. on Feb. 10 in the P. J. C. gym. It was a very good game with both teams playing good ball. When the final gun sounded P. J. C. was in the lead by a score of 41-31. Wiley Steed was the outstanding player on the Scotties offense.

OAK RIDGE vs. P. J. C.

Our second game was on the following night again in the P. J. C. gym with the favored Oak Ridge team. It was a hard fought game all the way with neither team letting up. P. J. C. finally won by a score of 44-34. Wiley Steed and Dorsey Poole were the leaders for the Scotties.

WINGATE vs. P. J. C.

On the fifteenth of January we took on a team from Wingate Junior College. Our regular referees didn't show up for the game, so we had to get two boys to do the calling. The game got out of the hands of the referees and was getting a little too rough until it was called off at the half.

BASEBALL

At the time the annual went to press the baseball scores were not available, but from the looks of the boys around the campus we will have a very successful year.

Absent from picture: Jackson, M.; McKenzie; Petterson; Horne; Griffith; Jackson, James; McDonald; Williamson; Clements; Edgerton; Tennant; Randolph; Williams, Jackson.

Block "P" was organized in the fall of 1930 which makes it the oldest club on the campus. To become a member, one must win a letter for participation in at least one branch of athletics. It has held regular meetings, and each year has sponsored the homecoming dance.

The purpose of the club is to hold close interest and union among the boys taking an active part in athletics. It encourages good sportsmanship and clean living. Each man qualified for membership must be accepted by every boy already in the club. There is a three-day initiation: During this time the electee "leads a dog's life."

"To those who have gone before and those who will come after us, we the Block "P" Club of '45-'46, wish you the best of luck in your undertakings."

STUDENT CHRISTIAN ASSOCIATION

One of our most important organizations on the Presbyterian Junior College campus is the Student Christian Association which was established for the purpose of guiding students toward spiritual growth.

The S. C. A. is responsible for inviting a minister of the North Carolina Synod of the Presbyterian Church to spend one week each year on our campus. This is known as Religious Emphasis Week; it is a time set aside for the students to participate in open forums for the discussion of religious topics. This year we are fortunate to have had Rev. T. Layton Fraser of Maxton Presbyterian Church as our guest speaker who conducted a series of most inspiring addresses.

The organization is composed of a president, a vice-president, a secretary-treasurer and a cabinet of seven "Highway Chairmen."

LITERARY SOCIETY

The W. H. Belk Literary Society held its first meeting on Nov. 12, 1945. A new constitution and a new set of by-laws were adopted. The regular meeting night was set for every Monday at 7:00 p. m.

The work of the Society this year has been very interesting and helpful to its members. Its object has been to instruct in parliamentary procedure and the proper way to make speeches. The Society's faculty advisor, Dr. J. H. Thornwell, has been most helpful in instructing the Society in this and many other ways and we wish to express our most sincere thanks to him for his kind help.

THE ADMINISTRATION BUILDING

Carolina College was built in 1911 by the Methodist Church and opened as a college for women. At the time of the Duke legacy the Methodists concentrated on Duke University and voted to close the school.

On February 21, 1928, the Synod of North Carolina met in special session to consider the Presbytery's recommendations. After due consideration the Synod resolved to establish a junior college at Maxton, and to accept the offer of sale of the Carolina College property. A Board of Trustees was elected and authorized to procure a charter under the laws of the State of North Carolina for the Presbyterian Junior College for Men, the name then chosen and now dear to all who at any time have attended the institution.

Structurally the Administration Building is of pressed red brick with impressive white entrance columns. The large dome and portico make an interesting picture and are in keeping with the southern atmosphere and architecture. There is a long entrance walk leading from the front of the building to the highway. A semicircular driveway flanked with trees and shrubs passes the entrance steps at its center.

There is an attractive side porch at either end of the building; the east entrance provides access to McLeod Dormitory, and the west leads to the athletic field. To the rear of the building is a beautiful pine grove. In the shelter of these majestic trees are a picnic grove and a barbecue pit where it has been the tradition to hold the Homecoming barbecue.

MCLEOD DORMITORY

Named in honor of Rev. R. A. McLeod, McLeod Dormitory is a brick building with fifty bedrooms, designed to accommodate two students to each room. A large parlor with the first floor with a big open fireplace furnishes a comfortable lounging room and gives the building a touch of home life. The building is steam-heated and lighted with electricity. The rooms are equipped with single beds, bureaus, tables, chairs and a closet for each occupant. New fire escapes were added in 1943. The grounds in front of the building are landscaped, and there are tennis courts to the rear.

According to the dictionary a dormitory is a room or apartment containing quarters for sleeping. At P. J. C. the dormitory is known for almost everything else—It is next to impossible to get sleep before midnight. At all times of the night the blaring of radios may be heard, crashes of bottles thrown down the hall by mischievous students, and the loud yelling of some luckless fellow who is trying to sleep, but has had a pail of water thrown in his face.

The majority of the students who occupy this dormitory prefer reading comic books to studying. As a result their grades are low enough to gain for them the privilege of being put on study hall. This is the period from eight to ten during which time all students on study hall read comic books. The students not on study hall spend the period studying. Twice during the period each student on study hall is checked by the monitors. Checking is a process in which the monitor closes his eyes, opens and closes the door, reopens his eyes and goes on to the next room.

The student store is an indispensable item in dormitory life. It is opened immediately after meals. The students stagger from the dining hall and file into the store where their fading hopes of life are revived at the rate of five cents an ounce.

Dormitory life at Presbyterian Junior College is obviously a form of retired education; it is something delightful.

STUDENT BODY

FOUNDERS DAY

Founders Day is dedicated to the improvement and cleaning of college property. Each faculty member selects a crew of students and a project he feels will add to the value and conditions of the buildings and grounds.

Planting shrubs, repairing the tennis court, repairing the walks, and cleaning the library made up the major undertakings of Founders Day this year. At the conclusion of the projects the crews and their supervisors were invited to go to the dining room where they were served punch and cookies. This thoughtfulness on the part of the dietitian was indeed a pleasure and surprise. We are proud to have been instrumental in carrying on such a worthy tradition. It is our sincere hope that each ensuing year will bring forth equally satisfying results. Founders Day of 1946 was a definite success.
